The final handicap of the year had the biggest turnout so far.

Winner on the night was Chris followed by Syd, but as they are both coming back from injury and hence had easier handicaps, it was decided that Judith deserved the trophy.

Quickest on the night was Nathan, with Niki quickest woman.

Green	indicates an improvement in time
Red	indicates a decrease in performance
Yellow	means time unchanged

Seven people completed all 4 handicaps, though no one could improve their time continuously for each one - Geoff and Kevin falling at the final hurdle.

Of those that did three races, Niki, Gerry and Chris all improved their times from one race to the next.
